### OBITUARY

Herbert E. Bamforth was born in Genesee county, New York, June 28, 1864, and died at the home of his sister, Mrs. George C. Parsons, on River avenue, Sunday, February 15. He had been in poor health for about five years but the immediate cause of death was influenza.

The deceased was one of the best known pioneers of this section of Gratiot county, coming to Michigan with his parents when but five years old. He lived on the old homestead about 50 years. # Coke! Coke! Coke!

ON Account of the great demand for Coke we have not been able to make enough coke to supply the demand. With the milder weather coming on this demand is naturally diminishing and we are again able to fill all orders.

If you are a regular coke customer we need not tell you of the advantages of coke because you will never want to burn any other fuel.

If you are not burning coke, however, and your furnace and chimney are clogged with soot—then order a ton of coke and clean out your heating system.
